Students using these systems are subject to having all activities, including email, monitored by system or security personnel. EGUSD has taken all reasonable steps to ensure the Internet is used only for purposes consistent with the curriculum. The district or school cannot prevent the availability of material elsewhere on the Internet that may be deemed harmful or intended for adults, especially to someone determined to find it. Multimedia Withhold Form

There are occasions when news media are on school campuses to interview, photograph and videotape students for print and broadcast stories. Many of these stories are positive and highlight the good things happening in EGUSD schools. However, there are times when the media seeks access to our schools on more controversial issues. At all times, our goal is to maintain student security and privacy.

If you want your child to be excluded from media stories, please check the box below and sign the form. Please know that there are times when the media will interview or photograph students off campus or without checking in with the front office. This form only acts as a guide to media coverage. It does not guarantee that your child will not be interviewed or photographed.

I **DO NOT** want media representatives to publish/broadcast interviews with or photographs/video identifying my child.

Posting of Student Images and Names on EGUSD Digital Communication Tools

EGUSD offers a number of opportunities to publicize positive school and student events and accomplishments through district and school digital communication tools. Parents have the choice to withhold their student's images (photos and video) and name from being posted by checking the area below. The publication of student image(s), along with both first and last name, requires prior written consent of the student's parent/guardian.

The only exception to this rule is the posting of student photos with first and last name into an EGUSD administrative system such as the student information system (Synergy) or the library system. These are closed systems that only EGUSD teachers, administrators and limited support staff have access to through password-protected logons. There is no opt-out of these closed systems.

By checking the box below you are choosing **NOT** to allow the posting of your student's name or image through digital communication tools. Please know that this will result in your student's name not being published electronically for recognitions, student honor roll, awards, events, contests, school newspaper articles and clubs.

I **DO NOT** want my student's image and name posted through any Elk Grove Unified digital communication tools.
