

Program Outline

Introduction:

We at C.A.S.E. Programs, Inc. are proud to provide Choir as one of our main premier enrichment programs. Our choir program is a fun and exciting way to introduce your students, families and community to the performing arts and music education. From singing and dancing to American folk songs and pop music, to East African nursery rhymes and Classical Chants, your students will be immersed in the amazing art of singing.

Curriculum Overview

Every year our staff and community members select a theme for the school year. This year's theme is "We Are The World". Our goal is to teach students about our national and international communities. All of our programs and curriculum are geared toward this theme and will be used to create a large collaborative performance at the end of the school year.

Possible Song list

The list below includes the majority of the songs that will be taught/referenced during the school year.

We Are The World, The Star Spangled Banner, Lean On Me, Put A Little Love In Your Heart, Let It Be, True Colors, Freedom, Viva La Musica, Waiting On The World To Change, This Land Is Your Land, Jingle Bell Rock, The Most Wonderful Time of the Year

Fundamental Music Concepts

The following list outlines the concepts addressed regarding fundamental music instruction. Please consult your student's music instructor if you have any questions.

- Articulation Techniques
- Dynamics
- Performance Etiquette
- Composition
- Ear Training
- Rhythm Reading
- Culture/Genre
- Form/Arrangement
- Singing Technique

Program Requirements

Materials

- Binder
- Pencils

Practice

Students are asked to practice at least 15minutes per day. Classes will be focused on the group. If your student falls behind he/she may not be able to make up without extra assistance at home.

Parent Involvement

Parents are suggested to review each class with their student(s). Besides regular classes/rehearsals, parents are required to assist in program activities (performances, parent nights, etc.). More information will be provided.
